

How to send a fax using the subject line with Email to Fax

Begin by attaching the desired image or PDF to an email message.

Set the 'TO:' field of the email to sendfax@fax.tnz.co.nz

Place the fax number in the subject line using the following format:

→ company name @ fax number

displayed as "The Lawnmowing Company @ 098765432"

→ attention @ company name @ fax number

displayed as "Mary Johnson @ The Lawnmowing Company @ 098765432"
